Money Notes

Frequently Asked Question Why aren't December and March cheaper if the children only attend for two weeks?	We have averaged out the costs of the preschool over the year so that payments are easiest for our bookkeeping and for yours as well. You are paying the same amount each month rather than more in one month and less in another. It all adds up to the same cost over the year.
What if my child is absent for sickness or holiday?	We still have to pay our staff. Your payment holds your child's place in the preschool.
SUBSIDIES From Province of BC	The government will provide subsidies for all or some of the preschool fees, dependent on family income. For information, google or call the Child Care Subsidy Service Centre toll free at 1-888-338-6622.
Payment Plans	We know about family expenses. Talk to our bookkeeper to arrange a payment plan if the first of the month is poor timing for you.
Late Fees	Fees late without a signed pre-arranged payment plan will be subject to a late charge of \$5.00 after your first notice from our bookkeeper.
Other Charges	Requests for copies of duplicate records will be subject to an administration fee.

Holidays and School District #79 Non-Instructional School Days	Preschool is closed for all statutory holidays and school district day long closures. Preschool is closed when the school is closed.
Early Dismissal Times and Eagle Wings Professional Development and Preparation Days	Preschool is sometimes open during school district early dismissal times. This is part of our payment averaging. Please check our Eagle Wings calendar for special closures or openings.
Extraordinary Closures	Examples include snow or strike days. Please listen to the local radio for announcements of School District #79 closures. If SD #79 is closed for extraordinary reasons, preschool will also be closed. There are no refunds as we have no control over these days.

Eagle Wings Withdrawal Process

Withdrawals:
 To withdraw your child from preschool (or change his/her schedule) you must inform the staff **IN WRITING** on or before the first of the month, giving one full month's notice. Email is good. Without notice on or before the first, you will be charged an extra month's fees. Thank you!

We've tried to simplify this process and keep it fair for both of us. Here's the process:

1. You give us notice in writing on or before the first. We apply your deposit to the last month of your child's attendance and your child attends before it is time to say good bye.
2. We apply your deposit to your last month; *whether or not your child is able to attend the classes.*
 Example: if you give notice on the 15th, because your move is sudden, you are giving notice 45 days in advance; because the one month's notice starts from the following first.
3. Without a month's notice, we will keep the deposit in lieu of notice.
4. If you wish to change the days of your child's attendance, we will work that out on an individual basis. There will be an automatic \$10.00 processing fee.

Here are some suggestions to make this process work for you;

5. **TALK AND PREVENT:** If you are experiencing a problem - let us know. Talk to the preschool teachers during a non-class time. Have a conversation with the bookkeeper or CCSA coordinator. We can't help if we don't have the whole picture. We'll talk to you too. Let's solve concerns before they get too big. Communicate soon and often!
6. **PLAN AHEAD:** Remember, one month is counted from the 1st day of any given month. We have to consider our license, our budget and our staffing. Unfortunately, there are no exceptions for any reasons.
